

Minutes

East Kintyre Community Council (AGM)

1930hrs Thursday 01 June 2023

Carradale village hall

APOLOGIES, Audrey Willan

3 members of the public in attendance

WELCOME

The Chair welcomed everyone to the AGM.

CONVENERS REPORT

Since the last AGM we have went through a transition with a community council election in 2022, in this election we went from 8 Community Councillors to 5. We have taken direction from Argyll and Bute Council as to forming a quorum to which they agreed to 3.

At present we are currently trying to recruit a minute taker/secretary.

There are major works in our area which could affect our community

West Torrisdale wind farm

Auchasaville battery storage facility

Crossaig electric substation expansion

Inverary to Crossaig power line

These projects have or will have a major impact on our community and road infrastructure, This is a huge concern to the community and the EKCC, the EKCC will continue to appraise the community of the issues and take there concerns forward

The community council will continue to be the voice of East Kintyre Community and ask that the community continue to work with us/them.

We then adopted the AGM minutes from 25-november-2021

Treasurer report attached ---

In Accordance with Community Council scheme rules, all office bearers demit from office and are eligible for re-election

Position
